Questions? We have answers.

WHAT HEALTH INSURANCE OPTIONS DO I HAVE IN THE MONTHS FOLLOWING MY RETIREMENT?

After you've retired, you can purchase the Retiree plan online, though you must apply and secure coverage that commences within 90 days of leaving your group benefits plan. This plan offers guaranteed coverage and no waiting period.

If more than 90 days have passed, you can consider the Guaranteed Acceptance plan with no medical questionnaire required, or the Blue Choice® plan.

WHEN DOES COVERAGE TAKE EFFECT?

Apply and have coverage in effect within 90 days of the termination of your group benefits plan and experience no interruption in coverage. Your Retiree coverage start date will depend on the date of your previous coverage ending.

WILL COVERAGE UNDER A RETIREE PLAN BE IDENTICAL TO MY GROUP BENEFITS PLAN?

The Retiree plan is a unique plan that offers benefits that are complementary to group benefit plans but are not identical. You can customize your plan and tailor it to your unique needs; however, it may not provide the same coverage as your previous plan.
